

# **EU-TYPE EXAMINATION CERTIFICATE**

The following model of Personal Protective Equipment has been subjected to an EU-type examination in accordance with the module B of the PPE regulation (2016/425) and has been shown to satisfy to essential health and safety requirements.

Certificate N° 0075/1744/161/10/22/1893 - EXT 01/10/22

Issued by CTC, Notified Body N°0075, to the following model of personal protective equipment:

Issued to: RICHA NV

Westerring 27, 9700 Oudenaarde

Belgium

**Description** 

PPE Type : motorcycle footwear

Reference standard: EN 13634:2017

Product reference: DOUGLAS WP SHOES WOMEN

Article code: Black - 4DOWPD100

Size range: 36-42

Protection level: 1221WR

**Pictures:** 

At the date of certificate, the product is in compliance with Annex XVII of European REACh regulation (n° 1907/2006 and revisions)

Full description of the PPE, reference rules verified in the context of the EU-type examination and information given on the product are detailed in the manufacturer's technical file index 01 dated from October 2022 and the user notice v02/2022

NOTA: Any modification to new items of the personal protective equipment object of this EU type approval certificate or any modification of the information contained in the manufacturer technical file which served for the deliverance of the EU type approval certificate (change of address, change of company status) should be brought to the attention of the notified body in accordance with Annex V §7.2 of Regulation 2016/425. Any marking on the PPE which is not concerned by the Regulation (UE) 2016/425, is not covered by this certificate.

Date of first issue:

End of validity date:

Didier GUISADO

In application of the Regulation 2016/425 of the European parliament and the Council of 9th March 2016 related to Personal Protective

Equipment and repealing the Directive 89/686/EEC.

# **PROTECTION SCOPE**

### **Basic requirements:**

This product has been designed to be a motorcycle footwear

This product meets the essential requirements of the Personal Protection Equipment Regulation 2016/425

The technical rules are:

#### EN 13634: 2017 - Protective footwear for motorcycle riders

Height of upper	1
Abrasion resistance of upper	2
Cut resistance of upper	2
Transverse rigidity of outsole	1

It is a category II product.

At the date of certificate, the product is in compliance with Annex XVII of European REACh regulation (n° 1907/2006 and revisions)

#### Additional requirements:

Water resistance (WR)

# **MARKING - PACKAGING**

#### Information printed on the footwear:

**(** € marking
